INSTRUCTIONS

1. Kit owners: Much of the cutting and punching and die-cutting has been done for you. Simply gather your ink pads, stamps, blocks, snips and adhesives. The following cutting and scoring instructions are provided for when you want to repeat these instructions for your own use. You may need to cut the Designer Series Paper, and fussy-cut some of the images.
2. Cut Card Base 4 ¼" x 11". Score at 2 ¾", 4 ¼", 7 ¼" and 8 ½"
3. Cut (2) Coordinating Card Stock 4" x 4"

4. Cut (2) Designer Series Paper (DSP) 3 3/4" x 3 3/4"
5. Die-cut (2) Basic White tags (smaller)

7. Decide which ribbon and bows and punches and die-cuts you want to use with your design.
8. Adhere 3 3/4" square DSP swatches to the 4" Card Stock squares.
9. Place the Card Base horizontally, with the 2 3/4" panel on the RIGHT SIDE. (The first panel on the left side will be about 2 1/2").
10. Adhere the squares to the first and third panel as shown in the image below.
11. Stamp the sentiment on the tags and adhere them to the card front.
12. Add punches, die-cuts, ribbon, bows and bling to give your card the final touch!
